Plexcom Business Class Broadband Service

Helping your business grow to meet it's full potential.

Business Internet Service for Small and Medium Businesses

When your business demands reliable service, Plexcom delivers the most cost-effective, scalable and flexible broadband service available. While other ISP's struggle with telco circuits and distance limitations, Plexcom will have your service ready within as little as 48 hours.

Service Overview

Plexcom's Business Broadband Internet Access is the right choice for small to mid-sized businesses and branch offices. Plexcom's Business Broadband Service provides for super fast speeds that provides for faster service for less money than our wired competition.

Plexcom Internet Features

- Business Max Service reaches speeds equivalent to 3 T1's!
- Faster upload speeds for business applications
- Installation in as little as 48 hours
- Scalable with your bandwidth needs
- No phone lines or local loop required
- No hidden charges
- More bandwidth for less money than wired providers
- More speed and features than DSL or Cable Service
- Industry leading SLA (service level agreement)

Save Money

Plexcom's Business Broadband is more cost effective than DSL or Cable Internet Access and doesn't require the purchase or rental of a DSL or Cable Modem. As your business grows, you can upgrade your service to faster speeds without additional hardware or installation costs. With Business Broadband from Plexcom you get the speed of up to 3 T1's for the price of DSL and Cable Internet Access.

Business Broadband - Internet Access

Service	Speed	Term	Monthly	Installation
Business Plus	up to 1.5mbps/1mbps	1 Year	\$99.00	\$299.00
Business Pro	up to 3mbps/2mbps	1 Year	\$169.00	\$299.00
Business Max	up to 4.5mbps/3mbps	1 Year	\$239.00	\$299.00

All bandwidth speeds are best effort and are not guaranteed.

More Bandwidth

Plexcom's Business Pro Service is faster than DSL. Plexcom's service provides upload speeds much faster than any of our competitors. Plexcom's upload speeds are up to 8 times faster than those available from DSL. Plexcom's service is not restricted by the size of the wire delivering the service which enables us to offer faster speeds for less money.

Plexcom's Business Pro Internet is up to 5 times faster than DSL

Business Pro ——— up to **2Mbps**
upload speed

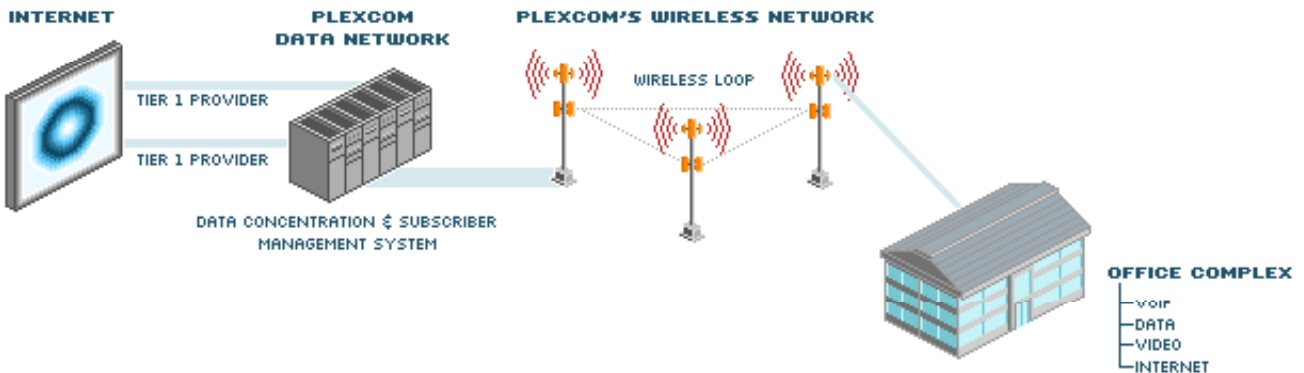

Standard DSL ——— up to **384Kbps**
upload speed

Why Plexcom Networks?

Plexcom operates its own network. We don't have to wait for the phone company to run wires or resolve problems. Our service is delivered to your business via our wireless network, which enables us to provide you with fast, affordable service that can be installed on your timeframe in as little as 48 hours.

Plexcom uses proven cutting edge technologies to deliver reliable and secure broadband service to your business. Plexcom is avid about providing outstanding service and personalized support and we back it up with an industry leading SLA (service level agreement). Plexcom's technical support staff monitors the network 24x365 and stands ready to serve our customers.

You choose the best when you choose Plexcom Networks.
